

Web-master position in Ben-Tal's lab

The Ben-Tal lab of Computational Structural Biology (<http://bental.tau.ac.il>) is looking for part-time Web-Master. The position includes maintenance and improvements of ConSurf (<https://consurf.tau.ac.il/>) and other web applications in the field of computational-structural biology, as well as users' support. The applications are LINUX-based, written in PERL, HTML, PHP, and PYTHON. Hours are flexible. Please write to Nir Ben-Tal (bental@ashtoret.tau.ac.il).
