Subject: Request for Proposals: Kalaniyot Postdoctoral Fellowships at HMS [EXTERNAL]

Dear Colleagues,

I hope this message finds you well. We are currently accepting proposals for a new postdoctoral fellowship program at HMS. We would greatly appreciate it if you could share the information below within your departments and with any individuals who may be interested in this opportunity.

Thank you for your support.

Sincerely,

The HMS Kalaniyot Team

Request for Proposals: Kalaniyot Postdoctoral Fellowships at Harvard Medical School

We are pleased to invite applications for the Kalaniyot Postdoctoral Fellowships at Harvard Medical School (HMS). These fellowships will support scientists from Israel to conduct postdoctoral training in basic biomedical research at HMS. Selected fellows will be welcomed into a vibrant community and will be awarded a fellowship of 2-3 years with the possibility of extension.

HMS Branch of the Harvard Kalaniyot Chapter

Kalaniyot is a faculty-driven initiative established in the aftermath of October 7, 2023, by a network of universities committed to advancing academic excellence and cooperation between Israeli and US-based universities. With a mission centered on advancing academic excellence by deepening ties with Israeli scholars and building a supportive campus community, Kalaniyot strengthens the academic landscape by forming enduring partnerships that drive research, education, and entrepreneurship. The HMS Branch of the Harvard Kalaniyot Chapter aims to support a new generation of researchers in building meaningful academic ties between Israel and the United States through impactful postdoctoral research experiences at HMS.
